

## LOCAL SOCIAL EVENTS

## Dinner at the Normal.

Fairmont newspaper people including members of the editorial and reporting staff of The Times and The West Virginian were guests last evening at a six o'clock dinner at the State Normal school at which members of the first year class in domestic science were hostesses. The table was set in the music studio which is admirably adapted to social events.

Pink garden roses in a crystal basket ornamented the center of the table which was attractively set with pretty china and sparkling glass. Pink shaded candles in crystal candle sticks enhanced the beauty of the scene and hand decorated place cards marked each cover. Covers were laid for President Rosier and by Mr. McKinney, both of which were of a reminiscent nature telling of editors of the city and state of former days. Mr. McKinney also dwelt on the change in the work of a newspaper man of today from that of the newspaper man of yesterday which was impelled by the telegraph, telephone and the railroad serve today. Both talks were heard with interest.

The dinner last evening was a practical demonstration of the achievement of the Domestic science department and it won the hearty approval of the guests. The dishes served were excellent and the service by young women members of the class was entirely above reproach. Miss Estelle Hamilton, head of the department, was congratulated on her success and that of her pupils before the guests departed.

The class in typewriting of the High school is spending the afternoon at Traction Park where a picnic supper will feature the event.

## FAIRMONT TEAM TO LEAVE ON 7:10 TRAIN

Likely That Many Supporters Will Go Along to Morgantown.

Accompanied by a large number of Fairmont fans the high school track team under the leadership of Coach "Jimmie" Knight and Manager E. J. Hawkins will leave on the 7:10 a. m. Pennsylvania train tomorrow morning for Morgantown, where in the afternoon the local athletes will participate in the first annual track and field meet. The high school aggregation will consist of eleven persons as follows: Manager E. J. Hawkins, Coach "Jimmie" Knight, Capt. Charles Lorr, Paul Hess, Clark Mills, Pierre Hill, Clark Brown, Seldon "Red" Dean, Matthew Turkovich, Joe Sarsfield and Small.

The team was out for practice yesterday afternoon, holding its last practice before the big meet. Aiming to know just what to expect from the local candidates, Coach Knight ran off the various events just as they will come in the big meet tomorrow. He found his men in the best of condition with the exception of Brown, who is suffering from an injured leg, but who likely will be able to compete tomorrow. His men were able to smash three state records as follows: one half mile, four, two minutes and eight seconds; one mile, four, four minutes and forty one seconds; two mile, four, ten minutes and twenty eight seconds.

The results of the practice yesterday afternoon as compared to the state records is shown as follows: 100 yd. Dash, Mills, 10 3-5 seconds; record Anderson, Charleston, 10 1-5 seconds. Pole vault—Hill 9 ft.; record, Livey, Charleston, 10 ft. 6 3-4 inches. Mile run—Dean, 4 min. 41 sec.; record Byers, Parkersburg 4 min. 41 sec. Shot put—Turkovich, 35 ft.; record Collins, Sistersville, 42 feet. 220 yard dash—Mills, 23 2-5 sec.; record, Matthews, Wheeling 22 and 4-5 seconds.

High jump—Hess 5 ft. 1 in.; record Dornick, Huntington, 5 ft. 7 in. 440 yd. dash—Lorr and Mills 56 sec.; record Anderson Charleston 55 seconds.

Discus—Turkovich 94 ft.; record, Sunderman St. Mary's 103 ft. 4 1-2 in. Half Mile—Lorr, 2 min. 8 1-5 sec.; record, Crawford, Huntington 2 min. 11 1-5 sec.

Hammer—Turkovich, 94 ft.; record Collins, Sistersville, 133 ft. Two Mile—Dean 10 min. 28 sec. Running broad jump—Hess 19 ft. 2 in.; record 22 ft. 5 3-4 in.; Dornick, Huntington.

Out of town fans are expecting the meet to go to either Fairmont or Huntington, with Fairmont preferred. The records made by the Fairmont team are a little better than those made by any other team entered. This is due largely to the fact that the cinder path at South Side Park is just a few feet short. Making allowance for the short track, the Fairmont records are still as good as those of other teams.

The work of Mills and Hess, especially the latter in the broad jump was a new feature that was brought to light in the practice yesterday evening.

I have suffered with nervous headache and indigestion for twenty years and have tried all kinds of medicine but there has never come me as much good as Nerv-Worth has. I have taken one bottle and I feel ONE HUNDRED PER CENT BETTER. I can highly recommend Nerv-Worth and I am satisfied it will cure me."

ing. Both are jumping in one form and are exceeding the 19 ft. mark. The record of 22 feet is unusually good and probably will not be touched in the meet tomorrow.

The locals have been devoting all energy for the past six weeks to the big meet at Morgantown tomorrow. They are not only ready but anxious.

## ARE AFTER AUTO LAW VIOLATORS

Use of "Applied For" and Paste Board Signs is Illegal.

Laxity in the enforcement of certain laws governing the use of license tags on automobiles have been seen in Fairmont and Marion county more frequently within the past few weeks than any time before. A number of people are carrying pastboard signs with the wording thereon, "license applied for," which is illegal. In addition some garage owners are reported to be using past board signs with numbers thereon. This is also illegal.

Walter R. Haggerty, prosecuting attorney, today stated that the county motorcycle officer had been directed to arrest offenders, but that thus far nothing in that line had been done. It is understood that the state road department has issued orders recently to have automobile laws more generally regarded than heretofore.
